

Naked Voice Facilitator Training Application

Dear Naked Voice Training applicant,

We are delighted that you wish to apply to be a Naked Voice Trainee Facilitator. Here are the application requirements below:

- a) **Voiceline:** We encourage you to have a voiceline (30 minute phone or skype 1-1 session) with Chloe to make sure this is the right training for you.
- b) **Statement of Intent for the Training:** This will indicate to us the nature of your commitment to the Naked Voice practices and principles, what inspires you to attend this training, which aspects of the work have particular resonance for you, e.g. energy movement, the therapeutic skills, witness work and silence, the *singing field* concept. If you are a facilitator trainee please update us as to how many trainings you have attended (and if appropriate) your experience so far of using the Naked Voice work in the world.
- c) **Vocal Self Portrait:** Send us a typed self-portrait of your own relationship with your voice, inner/outer, spoken/sung, as you have experienced it over the course of your life, from childhood through adolescence and adulthood. You are entirely free as to the style in which you write this e.g. poetic, prose, documentary, or a combination of these. Enjoy the process. You will find it challenging but rewarding.
- d) **Photograph:** Please send in a facial photograph of yourself to assist us in our administration records (e-mail is fine).
- e) **Mentor:** We will connect you with our Mentor Co-ordinator Iana Storey, assisted by Hilary Franklin, to guide you through the Training Process.
